Sunvalley Chateau a home away from home

we offer care love and respect...

We provide the best individualized care for the elderly who need assistance with daily living. This is accomplished through a warm and family oriented atmosphere. The quaint home away from home allows us to provide your loved ones with personal care and attention.

Our cozy homes give the residents, their loved ones and our staff the ability to get to know each other in a comfortable familiar setting. We also get together for bingo, sing alongs, ice cream socials, barbecues, and other joyful events. Everyone is invited, so come and join us.

We have a safe, secure environment and are located in pleasant neighborhoods. Our limited occupancy and intimate setting accommodates individual needs while providing a sense of place and belonging.

...for your loved ones

Sunvalley Chateau has two lovely locations (1) Pacifica (Lindamar): a spacious two-story home with a piano, cultivated garden and serene decks with ocean views. (2) Walnut Creek: a Spanish style home with a lush wooded garden and a flowerful fountain filled with fish and turtles.

We invite you to visit us and experience how we provide a fuller, healthier and happier life for your loved ones.

Sincerely,

Rodica A. Ranga
President
